CERTIFICATION TEAM REPORT

Team Name	Certification Team
Team Rep on Call	Mary Flanagan
Key Accomplishments YTD	A key awareness is recognition that no one at ICA is at present championing or owning the responsibility for those things that will safeguard, advance, refine "what is ToP". This seems to be a breakthrough recognition for us, and calls us to action. • Design Team - defining/refining "what is ToP design" -- Team is meeting in Santa Fe on Aug 26-28 to draft recommendations to be incorporated into certification assessment process • Accelerating MToP Team - 4 sub groups - 　o Compelling Story- draft of new piece on MToP & Certification- Marty Roach and working on a video of testimonies for MToP recruitment 　o Expand Recruitment-sent out e-blast to all registrars, linking MToP with Certification opportunities. Posted on group site, Plans made to interview all ToP trainers who have not attended MToP asking them about their participation and inviting them to send their graduates to MToP 　o Expand Faculty Pool-clarifying "journey" to become MToP trainer - including decision/authority points, and identifying targets for expanding the pool 　o Deepening MToP- planning for an MToP workday immediately following the ToP Network meeting in Jan 2012
Monies spent	
Monies planned to spend by year end	Spending approx $1000 for design team retreat
Revised budget requests	Will be requesting monies for the MToP workday on Jan 10, 2012
Anticipated accomplishments by year end	Reports & recommendations from each of the above teams, to be presented for action at ToP Network meeting in Sacramento.

WRITTEN REPORTS -- by August 23 please!
