

Represents the method—The building blocks of focused conversation.
 Play on shapes (squares, triangles, dimensional) — but NEW, contemporary ideas
 The process of... “What do you see? feel? information? decision?”
 Enhanced understanding and transparency.

TOP NETWORK

TOP NETWORK

Horizontal if required. Relationship between icon and name s/b locked.

TOP NETWORK

1/color only if required.

Preferred relationship between icon and name s/b locked.

The idea is that it would be used with different colors in patterns, representing the network.
